

GIVING STARTS WITH EMPOWERING.

Making Lives Better with Alorica (MLBA) is a global non-profit organization, and our approach to corporate philanthropy is like none other. Most companies handle charitable giving from the top-down—but Alorica is not like most companies.

MLBA empowers Alorica employees to give to those in need within their own communities—allowing them to share the love with the people, and in the places, that matter most to them. With nearly 90 MLBA Chapters around the world, employees have the decision-making power to choose how to make lives better through grants, fundraisers and volunteering—and **100% of funds raised by a Chapter STAY within that Chapter.**

Alorica provides the administrative resources required to fuel this global non-profit as part of its Corporate Social Responsibility (CSR). Learn more about Alorica's CSR commitment at alorica.com/corporate-social-responsibility.

Additionally, when local areas are hit hard by natural disasters or other crises, MLBA assists impacted employees, families and communities through our Disaster Relief Fund, which has raised over \$200,000 to date.
